We would like to take this opportunity to express our sincere gratitude to all parents and guardians for your continued support during this cold weather. We would like to express our sincere gratitude for your understanding and cooperation in preventing infection at school and at home.

As we know, with the spread of infection, priority measures such as (Man en boshi) prevention of spread have been taken in Gifu prefecture, and it is necessary to take measures such as avoiding interaction with other classes as much as possible.
